

Richard Tucker, Director of Construction, Graywood Developments Ltd

Richard Tucker has over 35 years experience in development and construction with many major projects developed and completed in Canada, the United Kingdom and the United States. Richard has a bachelor's degree in architecture from the Massachusetts Institute of Technology (MIT) and a master's in business from the London Business School (LBS) where he was a Sloan Fellow.

Major projects in which Richard has held significant roles include:

SkyDome, Toronto

Canary Wharf, London, UK

Anglia Railways UK – Ipswich and Norwich station redevelopments (Historically Listed)

CNR European Headquarters - Trafalgar Square, London (Historically Listed Grade II*)

TransCanada Pipelines Headquarters – Calgary

Bell Mobility National Headquarters – Mississauga

Bell Canada Regional Headquarters (911, 611 and 411) - Mississauga

Ritz Carlton Hotel and Residence – Toronto (under construction)

EnCana Headquarters – Calgary (under construction)

In total, the above projects represent well over \$5 billion of highly complex work containing a broad range of mixed uses built within sophisticated, multi-layered financial, client and regulatory contexts.
